Bram Stoker's 1890 huge literary success, *Dracula*, comes to life again in a stage adaptation by Edgar Allen Poe Award-Winner and UT faculty member, Steven Dietz. This critically acclaimed stage adaptation brings a fresh look to the face of this popular tale of Gothic horror. We witness a society overtaken by an unexpected darkness that strikes even the purest of hearts. Driven by unwelcome fear, uncontrollable passion and unsolved mysteries that even science can't explain, the characters voyage into the unpredictable future to find answers. Dietz takes us on a frightening journey and shows the inherent humor of human nature in crisis.
