

Covid risk levels will be based upon data provided by Hays County Local Health Department <https://public.tableau.com/app/profile/hclhd> (Click on Weekly COVID Report)

Current Risk Level:

Response/Policies

Regardless of risk level:

Testing:

- Covid vaccinations are required for all cast, crew and employees
- If any cast, crew or employee exhibits symptoms for Covid, they should notify the stage manager or their supervisor as soon as possible, and isolate from the theatre. Before returning to the theater, it must be 5 days since the onset of symptoms, and at least 24 hours of being fever free before the affected individual may return to the theater.
- If symptom free, but testing positive, the same criteria must be observed with the date of the test being Day 0
- All members of the cast, crew, and creative team must provide proof of a negative COVID test no later than the Wednesday before tech, and no later than 12 PM (noon) before performance dates.
- If you are not eligible for testing through Curative at no out of pocket expense, advise the Managing Artistic Director at the earliest opportunity to make alternative arrangements.

LOW
Less than 100
new cases reported
(daily rolling average)

- During rehearsal period: Masks optional for Cast, Crew, Employees, and Volunteers
